¹ Curriculum Vitae: Ariel Ortiz Lagardere, MD, FACS, IFASMBS

Pre-Medical Education

1980-1983 Preparatoria Federal Lazaro Cardenas, Tijuana, Mexico

Medical Degree

1984-1990 Graduated Summa Cum Laude/ Presidential Award for Merit, A.H. Robbins/ Awarded by President of Mexico: Carlos Salinas de Gortari
Graduated Universidad Autonoma de Baja California, Facultad de Medicina

Internship

1991 Hospital Fray Junipero Serra, ISSSTE, Col, 20 Noviembre, Tijuana, Mexico

General Surgery Residency

1993 Hospital IMSS Clinica No.20, La Mesa Tijuana, Mexico
1994-1997 Hospital Regional de Zona, No.1, Centro Medico Nacional del Noroeste, Ciudad Obregon Sonora, Mexico.

Post-Doctoral Training

1997 Minimally Invasive Surgery Fellowship, Hospital No. 20 IMSS,
1997 Advanced Minimally Invasive Surgery Fellowship, Hospital No. 20 IMSS
1998 Bariatric Surgery Training Symposium, Hospital Angeles del Pedregal, Cd. Mexico
North-west Training Center,
Mexican Social Security Institute,
Tijuana, Baja California, Mexico
1999 Certification in Bariatric Surgery,
Mexican Social Security Institute,
Tijuana, Baja California, México
Hospital Angeles del Pedregal
Mexico, Federal District

² Curriculum Vitae: Ariel Ortiz Lagardere, MD, FACS, IFASMBS

Board Certifications

Board of General Surgery: Board Certified 5 years recertification 2017-2022
Board of Bariatric Surgery: Board Certified 5 years Certification 2017-2022

Licensure

General Medicine Mexican License #2526822 Issued 10/08/97
General Medicine Baja California License #10575-02/00 Issued 02/00
General Surgeon Baja California License #125/2000 Issued 03/00
Mexican License, Ministry of Public Education, General Bureau of Professions,
Authorizes the Professional Practice of General Surgery #3181627

Fellowships

Fellow of the American College of Surgeons
2003-Present
International Fellow of the American Society of Metabolic and Bariatric Surgery
1997- Present

³ Curriculum Vitae: Ariel Ortiz Lagardere, MD, FACS, IFASMBS

Academic Appointments

- Professor of Surgical Pathology, Tenth Semester at the Faculty of Medicine, UABC.
- Professor of Surgical Education, Sixth Semester at the Faculty of Medicine, UABC.
- Head Professor of Bariatric Surgery. Minimal Invasión Institution of Baja California, Bariatric and Metabolic Surgery Institution, OCC.
- Professor of Advanced Metabolic Surgery, Bariatric and Metabolic Surgery International Institute of Metabolic Medicine
- Advanced Surgical Sciences Academy, Medtronic, Tijuana Mexico
2000—present
- Professor of General Surgery
University of Baja California, Tijuana
- 2000—present
Professor of Clinical Medicine
University of Baja California, Tijuana
- 2000—present
Professor of Surgical Nursing
Ibero American University
- 1998—2000
Professor of Laparoscopic Surgery
North Western Laparoscopic Training Center
Mexican Social Security Institute
Tijuana, B.C., México
- 2000—2007
Professor Laparoscopic Hernia Repair Course
North Western Laparoscopic Training Center
Mexican Social Security Institute Tijuana,
B.C., México
- 2002—present
Professor of Bariatric Surgery
International Institute of Metabolic Medicine
Tijuana, Mexico.

⁴ Curriculum Vitae: Ariel Ortiz Lagardere, MD, FACS, IFASMBS

Administrative Appointments

2013 - Present

President Global Communications: IBC-Oxford University Academic Org.

2017- Present

Co-Director, IBC-Oxford University Congress

2001- Present

Board of Directors, Mexican College of Bariatric and Metabolic Surgery.

2003-Present

Consulting Committee, Mexican College of Bariatric and Metabolic Surgery

2009-2013

Scientific Committee Chair, Mexican College of Bariatric and Metabolic Surgery

Honorary Member of the Mexican of Bariatric and Metabolic Surgery Association.

2011

Surgeon of Excellence in Bariatric and Metabolic Surgery, Surgical Review Corporation, Virginia, USA.

2007-2011

Board of Trustee's Member, San Diego Rady Children's Hospital, Circle of Care Committee

2006

Scientific Committee, Mexican of Bariatric and Metabolic Surgery Association.

2004

Scientific Committee, Mexican of Bariatric and Metabolic Surgery Association.

2002

National President and Honorary Member:
Mexican Bariatric and Metabolic Surgery Association.

2000

State President of the Association and Honorary Member:
Mexican of Bariatric and Metabolic Surgery Association.

⁵ Curriculum Vitae: Ariel Ortiz Lagardere, MD, FACS, IFASMBS

1999

Secretary, Baja California Surgeons Association

1998

Secretary of the Scientific Committee, Baja California Surgeons Association

1996

Honorary President, Northwestern Residents Association

1994 - 1995

Chief of Residents, General Surgery, Centro Medico Nacional de Noroeste, Obregon City, Sonora

1993

Chief of Residents, General Surgery, Clinic No 20 of the Mexican Social Security Institute

1992

Publications and Abstracts

Ortiz Lagardere, AA, Lopez Covala JA, Guzman Cordero F.
3 Years Experience, Endoscopic Hernia Training Center.
Presented at the AMCG Annual Meeting, San Luis Potosi, Mexico.
October 2000.

Ortiz Lagardere AA, Lopez Corvala JA, Guzman Cordero F.
Achalasia Accumulated Experience. Endoscopic Training Center,
IMSS, Tijuana
Presented at the AMCG Annual Meeting, San Luis Potosi,
Mexico. October 2000.

Ortiz Lagardere AA, Lopez Corvala JA, Guzman Cordero F.
Complications related to adjustment port after 150 Laparoscopic
Adjustable Silicone Gastric Bandings.
Presented at the AMCG Annual Meeting, San Luis Potosi, Mexico.
October 2000.

Ortiz Lagardere AA, Lopez Corvala JA, Guzman Cordero F.
Multidisciplinary approach after Laparoscopic Adjustable Silicone

Gastric Banding elevates success rate.

Presented at the AMCG Annual Meeting, San Luis Potosi, Mexico.
October 2000.

Ortiz Lagardere AA, Lopez Corvala JA, Guzman Cordero F.

Preventing Lap-Band Slippage, Modifications to the Technique.

Presented at the AMCG Annual Meeting, San Luis Potosi, Mexico.
October 2000.

Lopez Corvala JA, Guzman Cordero F, Ortiz Lagardere AA.

First 100 cases of Adjustable Silicon Gastric Banding, 3-year
Follow-up.

Presented at the AMCG Annual Meeting, San Luis Potosi, Mexico.
October 2000.

Lopez Corvala JA, Guzman Cordero F, Ortiz Lagardere AA.

TEP hernia repair, Focus on the technique.

Presented at the AMCL Annual Meeting, Leon Guanajuato,
Mexico. November 1999.

Lopez Corvala, JA, Guzman Cordero F, Ortiz Lagardere AA.

Laparoscopic Nephrectomy, our experience.

Presented at the AMCL Annual Meeting, Cancun, May 1999.

Awarded the first place by the AMCL Scientific Committee.

Ortiz Lagardere AA, Lopez Corvala JA, Guzman Cordero F.

Intragastric Balloon for mild obesity. Technique and results.

Presented in the AMCL Annual Meeting Acapulco Guerrero,
Mexico. May 1999.

Ortiz Lagardere AA, Lopez Corvala JA, Guzman Cordero F.

²³ Curriculum Vitae: Ariel Ortiz Lagardere, MD, FACS, IFASMBS

Band Adjustment, a Multidisciplinary approach.
 Presented at the AMCO Annual Meeting, Mazatlan Sinaloa, Mexico. July 1999.

Ortiz Lagardere AA, Lopez Corvala JA, Guzman Cordero F.
 Complications related to the Lap-Band, Slippage and Erosion.
 Presented at the AMCO Annual Meeting, Mazatlan Sinaloa, Mexico. July 1999.

Ortiz Lagardere AA, Lopez Corvala JA, Guzman Cordero F.
 Technique is related to band slippage.
 Presented at the AMCO Annual Meeting, Mazatlan Sinaloa, Mexico. July 2000.

Ortiz Lagardere AA, Lopez Crovala JA, Guzman Cordero F
 Laparoscopic Hernia Repair; A revised training protocol.
 Rev Mex Cir Endosc, 2, 71-74 Abril 2001

Adjustable Gastric Band Surgery on Patients with a History of Nissen
 Fundoplication for Gastroesophageal Disease (GERD)
 Dr Ariel Ortiz Lagardere, Martinez Gamboa Arturo, Acosta, Hector, Viramontes
 So Marco, Bernal Hector, August, 2009

Gastric Banding In Adolescent Patients, Report On 113 Cases.
 Presenting author: Dr Ariel Ortiz
 List of co-authors: Martinez Gamboa Arturo, Bernal Hector, Viramontes So
 Marco, Acosta Hector, August 2009

The 5 Minute Adjustable Gastric Band Placement
 Presenting author: Dr Ariel Ortiz
 List of co-authors: Martinez Gamboa Arturo, Acosta Hector, Viramontes So
 Marco, Bernal Hector, August 2009

Adjustable Gastric Band Placement After Failed Gastric Bypass
 Presenting author: Dr Ariel Ortiz
 List of co-authors: Martinez Gamboa Arturo, Acosta Hector, Viramontes So
 Marco, Bernal Hector,
 August 2009 - Manejo del paciente con el Globo Obalon,
 Dosificación de dispositivos Gástricos para perdida de peso
 Depuración de Técnica en la Cirugía Bariátrica “ Técnica Plicatura Gástrica”
 “Gastro-esophageal Flux, what does it mean in gastric banding”
 Incidence of abnormal findings in 10,000 consecutive
 fluoroscopies.
 “Avoiding Slippage by the addition Ortiz Suture”, a
 prospective study.
 Respiratory Testing on 4000 consecutive patients with outcomes
 (Obesity Control Center Research Grant)

²⁴ Curriculum Vitae: Ariel Ortiz Lagardere, MD, FACS, IFASMBS

- The use of the LMA Laryngeal Mask as better alternative to traqueal intubation
(Obesity Control Center Research Grant)
- Outcomes of 4000 LMA applications
(Obesity Control Center Research Grant)
- Total IV anesthesia, safety and efficacy
(Obesity Control Center Research Grant)
- Hiatal hernia Repair during Gastric Banding Procedures
(Obesity Control Center Research Grant)
- Gastric Banding repositioning after prolapse.
(Obesity Control Center Research Grant)
- Incidence of Hiatal hernia after Gastric Prolapse
(Obesity Control Center Research Grant)
- Avoiding Erosions with the Fat Pad Technique, a prospective study
(Obesity Control Center Research Grant)
- “Risk factors for Band Erosion. A multicenter evaluation.”
(Funded by Grupo Laparoscopico de B.C.)
- “Beating the learning curve in Laparoscopic Hernia Repair. Integrating new interactive teaching tools.”
(Funded by Tyco Healthcare, International)
- “Restrictive mechanism of the Lap-Band, How does it really work?”
(Funded by Grupo Laparoscopico de B.C.)
- “A prospective randomized study, The Tep Repair without mesh fixation.”
(Not funded)
- “Is the fluoroscopic adjustment more effective?”
Ortiz Lagardere, AA, Huang, E, Martinez-Gamboa, A, De La Vega, A, Broderick, R, Horgan, S.
- “A One-Step Conversion of Gastric Band to Sleeve is Safe and Effective”
Abstract submitted for publication on Surgery for Obesity and Related Diseases (SOARD), December 2022
Ortiz Lagardere, AA, Huang, E, Martinez-Gamboa, A, De La Vega, A, Broderick, R, Horgan, S.
- Staple Line Reinforcement with Buttressing is Not Needed for Sleeve Gastrectomy
Abstract submitted for publication on Surgery for Obesity and Related Diseases (SOARD), December 2022
Huang, E, Ortiz Lagardere, A, Martinez-Gamboa, A, De La Vega, A, Broderick, R, Horgan, S.
- Elective Bariatric Surgery is Safe Two Months After COVID Infection
Abstract submitted for publication on Surgery for Obesity and Related Diseases (SOARD), December 2022
