

Advances in Surgical Therapeutics for Endometriosis MASTERCLASS

OCTOBER 27-28, 2023

Tijuana Baja California, Mexico

Medtronic

Engineering the extraordinary

Masterclass Faculty

William Kondo, MD

Ramiro Carranco, MD

Andrea Vidali, MD

Jorge Zavala, MD

Armando Menocal, MD

Carlos Trippia, MD

Monica Zomer, MD

Jose Colon, MD

Daniel Sanabria, MD

Ariel Ortiz, MD

Santiago Horgan, MD

Lucía Chávez, CN, IFNCP

Private Screening: “Below the Belt Film”

Patricio Cohn
BELLOW THE BELT FILM PRODUCER

Attending Cinematographers & Producers

Alex Flores
MOJO GLOBAL ARTS

Ariel Ortiz Lagardere
QUOVADIS PRODUCTIONS

Gabriel Reyes
iDIGITAL CREATIVE STUDIOS

GLOBAL LIVE STREAM: EVENT HIGHLIGHTS

FRIDAY, OCTOBER 27, 2023

LIVE SURGERIES: Master Surgeons At Work

STREAMING ON:

11:15-12:00 (GMT-7)

OR1-Case: Superficial Endometriosis
Surgeon: Ramiro Cabrera, MD
OR2-Case: Deep Endometriosis + Hysterectomy
Surgeon: William Kondo, MD
OR3-Case: Superficial Endometriosis
Surgeon: Armando Menocal, MD

KEYNOTE SPEAKERS

12:00-12:45 (GMT-7)

KEYNOTE LECTURE: Endometriosis in adolescents: how to improve diagnosis and quality of care?
Presenters: Jose Eugenio Colon, MD

14:00-14:30 (GMT-7)

Below the Belt Film - Private Screening
Producer: Patricio Cohn

CAN'T MISS

15:30-16:00 (GMT-7)

KEYNOTE LECTURE: The triple disease - Adenomyosis, Endometriosis and Myomatosis, importance of diagnosis and impact on fertility
Presenter: Ramiro Cabrera Carranco, MD

SATURDAY, OCTOBER 28, 2023

LIVE SURGERIES: Master Surgeons At Work

8:30-9:30 (GMT-7)

LIVE SURGERY
Fluorescence-guided surgery in endometriosis: The Future is Bright
Surgeon: Armando Menocal, MD

11:10-11:30 (GMT-7)

KEYNOTE LECTURE: Different approaches to treat bowel endometriosis
Presenter: William Kondo, MD, MHSc

14:20-14:40 (GMT-7)

LIVE LECTURE: The importance of Indocyanine Green (ICG) for Deep Endometriosis Surgery
Presenter: Armando Menocal, MD

THURSDAY October 26, 2023

Pre-congress work schedule

Day 1: Updated concepts on endometriosis

Hosts: Jorge Zavala, MD / Ramiro Cabrera, MD

FRIDAY
October 27, 2023

9:00-9:05

WELCOME MESSAGE: Welcome to the Academy of Surgical Innovation
Presenters: Santiago Horgan, MD, FACS, FASMBS

9:05-9:15

WELCOME MESSAGE: Welcome to the Endometriosis Masterclass
Presenter: William Kondo, MD, MHSc / Ramiro Cabrera, MD, MHSc

9:15-9:45

LECTURE: Updates on Robotic Surgery: What's Coming
Presenter: Santiago Horgan, MD, FACS, FASMBS

9:45-10:15

LECTURE: State of the Art Treatment for endometrioma -What do we know?
Presenter: Andrea Vidali, MD

10:15-10:45

LIVE LECTURE: The singer not the song: the importance of a good radiologist in achieving a correct diagnosis
Presenter: Carlos Trippia, MD

10:45-11:15

Coffee Break: meet the speakers

LIVE SURGERIES WITH THE EXPERTS

(3 Operating Rooms / Live Commentary: Monica Zomer, MD)

11:15-12:00

OR1-Case: Superficial Endometriosis

Surgeon: Ramiro Cabrera, MD

OR2-Case: Deep Endometriosis + Hysterectomy

Surgeon: William Kondo, MD

OR3-Case: Superficial Endometriosis

Surgeon: Armando Menocal, MD

Day 1: Updated concepts on endometriosis

Hosts: Jorge Zavala, MD / Ramiro Cabrera, MD

FRIDAY
October 27, 2023

12:00-12:45

LIVE LECTURE: Endometriosis in adolescents: how to improve diagnosis and quality of care?

Presenter: Jose Eugenio Colon, MD

12:45-13:00

Interview & Homage: Nancy Petersen, RN
Creator of Nancy's Nook

13:00-14:00

Lunch break: Metabolic Nutrition
Chef: Daisy Vazquez

14:00-14:30

Below the Belt documentary - Private Screening and Q&A
Producer: Patricio Cohn

14:30-15:00

LECTURE: Laparoscopic anatomy: how can we use knowledge of anatomy in endometriosis surgery?

Presenter: Armando Menocal, MD

15:00-15:30

LECTURE: Endometriosis - High Quality Diagnosis and Treatment "the State of the Art"

Presenter: Ramiro Cabrera Carranco, MD

15:30-16:00

LIVE LECTURE: The triple disease - Adenomyosis, Endometriosis and Myomatosis, importance of diagnosis and impact on fertility

Presenter: Ramiro Cabrera Carranco, MD

16:00-16:45

WORKSHOP: Ultrasonic energy, advanced hemostasis devices, linear & circular staplers, barbed sutures

Presenter: All Faculty / MEDTRONIC

16:45-17:00

Q & A Session: all professors

17:00

Adjourn

Day 2: Select topics in the surgical management of endometriosis

Hosts: Ramiro Cabrera, MD / Jorge Zavala, MD

7:00-7:30 **Transfer to training center**

Breakfast with the professors

7:30-8:30

- William Kondo, MD, MHSc
- Ramiro Cabrera Carranco, MD
- Carlos Trippia, MD
- Jose Eugenio Colon, MD
- Armando Menocal, MD
- Jorge Zavala, MD
- Monica Tessmann Zomer Kondo, MD
- Andrea Vidali, MD
- Daniel Sanabria, MD
- Santiago Horgan, MD, FACS, FASMBS
- Lucia Chavez, CN, IFNCP

8:30-9:30

LIVE SURGERY

Fluorescence-guided surgery in endometriosis: the future is Bright
Surgeon: Armando Menocal, MD

9:30-10:00

**LECTURE: Tailoring endometriosis surgery -
"How to achieve optimal cytoreductive surgery"**
Presenter: Ramiro Cabrera, MD, MHSc

10:00-10:30

Coffee Break with the speakers

10:30-10:50

**LECTURE: Surgical techniques to approach
the anterior compartment of the pelvis**
Presenter: Armando Menocal, MD

10:50-11:10

**LECTURE: Optimizing Reproductive Surgery for
Enhanced Fertility in deep endometriosis: IVF or Surgery first?**
Presenter: Andrea Vidali, MD

11:10-11:30

LIVE LECTURE: Different approaches to treat bowel endometriosis
Presenter: William Kondo, MD, MHSc

Day 2: Select topics in the surgical management of endometriosis

Hosts: Ramiro Cabrera, MD / Jorge Zavala, MD

11:30-11:50

LECTURE: Nerve-sparing technique in endometriosis surgery: myth or reality?
Presenter: Ramiro Cabrera, MD

12:00-13:00

Lunch break: Metabolic Nutrition - Video Presentation
Chef: Daisy Vazquez / Presenter: Lucia Chavez CN, IFNCP

13:00-13:20

LECTURE: How to manage ureteral endometriosis?
Presenter: Daniel Sanabria, MD

13:20-14:00

WORKSHOP: Intestinal stapling skills lab & Medical Devices Demo
Presenter: All Faculty / MEDTRONIC

14:00-14:20

LECTURE: Diaphragmatic endometriosis - different surgical techniques
Presenter: Jose Eugenio Colon, MD

14:20-14:40

LIVE LECTURE: The importance of Indocyanine Green (ICG) for Deep Endometriosis Surgery
Presenter: Armando Menocal, MD

14:40-15:00

LECTURE: Imaging findings in the lateral pelvic compartment in endometriosis
Presenter: Carlos Trippia, MD

15:00-15:30

LECTURE: Nutritional Influences in Estrogen Metabolism
Presenter: Lucia Chavez, CN, IFNCP

15:30-14:00

LECTURE: Reverse technique-Anatomical Implications in Deep Endometriosis Surgery
Presenter: Ramiro Cabrera, MD, MHSc

14:00

Adjourn

SATURDAY
October 28, 2023

-GUEST LIST-

Academy of Surgical Innovation Directors:

Ariel Ortiz Lagardere, MD, FACS, FASMBS

President and Founder, International Institute of Metabolic Medicine / Director Academy of Surgical Innovation

Santiago Horgan, MD, FACS, FASMBS

Director Academy of Surgical Innovation / Director MIS, Bariatric Surgery, Business Development and Center for the Future of Surgery, University of California San Diego

Course Directors:

William Kondo, MD, MHSc, EndoGlobal Group

Ramiro Cabrera, MD, MHSc, EndoGlobal Group

Medtronic Professors

Armando Menocal, MD

Daniel Sanabria, MD

Invited Faculty:

Andrea Vidali, MD

Carlos Trippia, MD, EndoGlobal Group

Jose Eugenio Colon, MD

Jorge Zavala, MD, EndoGlobal Group

Monica Tessmann Zomer Kondo, MD, EndoGlobal Group

Lucia Chavez, CN, IFNCP

Producers, Cinematographers and Graphic Artists:

Patricio Cohn, Below the Belt film producer

Alex Flores, Mojo Global Arts

Gabriel Reyes, iDigital Creative Studios

Event Coordinator:

Sebastian Gamboa, MD

Academy of Surgical Innovation / International Institute of Metabolic Medicine
